This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the Application of Collins Moving and Storage Corporation of South Carolina (the Applicant), whereby the Applicant seeks approval of an amendment to its Certificate of Public Convenience and Necessity No. 9548-B to reflect a modification to the name appearing on such Certificate. Specifically, the Applicant requests the approval of the following modification:

FROM: Collins Moving and Storage Corporation of South Carolina

TO: Ray Collins d/b/a Liberty Moving & Storage

The Applicant asserts that the relief requested incorporates merely a change in the name of the holder of the Certificate. The Application further indicates that the change of name does not involve a change in ownership, officers, or operation of the business.

Based upon a thorough review of the matters asserted in the instant Application, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought in the Application for modification of the Certificate of Public Convenience and Necessity No. 9548-B of Collins Moving and Storage Corporation of South Carolina, by changing the name thereon be, and hereby is, approved.

2. That said approval is for a change in name only and does not authorize any change in the control or operation of the Applicant's regulated services.

3. Collins Moving and Storage Corporation of South Carolina shall file the proper license fees and other information required by S.C. Code Ann. Section 58-23-10 et seq. (1976), as amended, and by R.103-100 through R.103-241 of the Commission's Rules and Regulations for Motor Carriers, S.C. Code Ann.
